

Welcome Escort Package

Laurus Home Care's Welcome Escort Package offers new residents a companion and guide for their first 30 days in the community.

This package is the perfect way to help you learn the layout of the community while making sure you never feel alone in your new home. Your Welcome Escort will be there to introduce you to other residents and staff, so you'll never have to walk into a room full of strangers!

A caregiver will be available to take you to meals and activities throughout the day. And whether it's walking with you for safety, alongside your walker or pushing your wheelchair, they provide both physical and emotional support while you get accustomed to your new community.

\$475 per month
